All Teachers:	The Valley Oaks Course – specialized work packets/school activities			
	Outside Work Experience (OWE) – for paid jobs with a work permit & only for juniors and seniors			
	Inside Work Experience (IWE) – for internship/apprenticeship jobs (usually unpaid) with a mentor			
	Special Projects – for any subject where the student has an outside mentor; Music is a college prep, core-subject-area course and can therefore be accommodated only as a Special Project.			

*fulfills the high school math/science-related graduation requirement

^fulfills the high school foreign language/visual-performing arts graduation requirement

The majority of the above courses are not College Prep. They are general ed.
