*A Special Projects* course is now being offered

## ***Garden Ecology***

5 elective credits

This is a COLLABORATIVE STUDENT PROJECT of creating a winter garden on the school site located next to building 2. The course includes field trip opportunities, guest speakers and demonstrations, research projects and credit for home garden projects.

**Registration and Information**

**Monday, Oct. 29<sup>th</sup>**

**12pm to 1pm in building 2**

**Regular meeting dates: Mondays from 11am to 1pm**

**Starting: November 5<sup>th</sup> through the early spring harvest**

*Special Projects* is a Petaluma School Board approved course, and will be overseen and mentored by June Nason, a teacher at Valley Oaks School. Please speak with June Nason if you have questions, comments or to assist in our project. 707 778-4794
